Judge Howard,

My NAME is Terrence Wilson, Defendant
is CASE # 4:15CR441. I'm writing to not only
include within the Record, but also inform
this Court that I am not satisfied with the
MOTION that my Attorney Filed on 10-31-16.
Particularly, I asked my Attorney to File
Two Separate Motions for obvious reasons. Instead,
one Motion was Filed with an "Alternative"
which defeats the purpose of the Motion to
Dismiss!!! Additionally, I Specifically ASKED
my Attorney to include within the Motion
to dismiss the fact that AUSA Reilly stated
in open Court "The Government does not know
what MR. Wilson Role was in these crimes!"
Emphasis Added!!! Considering the circumstances,
I'm sure the Court understood why there
should be two different motions!

Judge N. Collins,
1112 10th St.

Thank you
